Dear Member,

Greetings!

We trust you are all in good health.

It has been yet another year of uncertainty and challenges for most of us. Though the severity of the pandemic may have dropped a notch or two, we must continue observing COVID appropriate behavior and take every precaution for our own safety & wellbeing.

We are grateful that our members & guests have continued to extend their unstinted support and encouragement during these trying times. It has been truly gratifying to also see our colleagues and associates across all our properties come together to ensure continuity in service without compromising on quality. Truly appreciated!

It gives us great pleasure to announce that Brigade Hospitality has been ranked 1st in the Great mid-size workplaces in India and ranked 4th in Small and Medium Workplaces in Asia, by Great Place to Work Institute. While we celebrate this moment together as a team, we salute the families of our colleagues, for their unstinted support, particularly during these troubled times!

In keeping with member expectations, we have also used this time to improve our facilities in our clubs and there is more to follow.

We are happy to also announce the opening of 'Glass' our speciality restaurant in Holiday Inn Bengaluru Racecourse. It is a modern Indian restaurant & bar with its bespoke menu curated by the well-known Chef Abhijit Saha. We invite you to definitely experience Glass, the new go-to place in the city, offering picture-perfect food that delights the taste buds too.

We are grateful that 2021 is behind us. As we look ahead, we know that you are eager to plan get-togethers in person. Many weddings, birthdays, reunions & anniversaries were postponed. There is no virtual replacement for that. We believe we are well-positioned to meet these needs at our clubs & hotels.

While the pandemic is far from over, and as more people get double vaccinated every day, it gives us hope that we are getting closer to normalcy. The timing of full recovery cannot be predicted, especially with new variants appearing across the world, but we are optimistic about recovery and adjusting to the new normal.

We offer our best wishes to each of you for a safe and healthy 2022 while we look forward to continue serving you.

We thank you for your support of Brigade Hospitality!

Warm regards,

Vineet Verma

Director, Brigade Hospitality

Brigade Hospitality awarded as No.1 Great Place to Work in India

Brigade Hospitality was ranked 1st in the mid-size workplaces in India and 4th in Asia, by Great Place to Work. It is an honour and pride for us to be recognised as the best in the country. GPTW is considered the gold standard for defining great workplaces. Their methodology and approach to study the organisations across businesses is recognised as rigorous with both employee and business perspective taken into consideration. We have participated for three consecutive years, and each year the feedback we received, has helped enhance and improve our ways of working.

As a company, we have always strived to work together as a family and this crisis has been no different. In fact, the past year has only brought us together and taught us some big lessons. We have had some tough decisions to take, and everyone has stood by these decisions.

During the pandemic, working from home, adapting to technology platforms for all aspects of the business was fast and quick. The shift was difficult, but possible and, each team member contributed to what we stand for, our culture and pride. Frequent communication through digital townhalls, online engagements and training activities ensured we were all on the same page. Initiatives to support colleagues such as, 'Here for you' and 'bhs14uhelpline', ensured every team member could reach out for support and we were there for them.

This pandemic has been humbling in many ways and team themselves have been brave in facing the challenges. As we continue to strive to accept life in this new way, with new norms, we continue to demonstrate that Brigade Hospitality is a great place to work.
